SHS 05 BORN TO SOAR THANKS SCITUATE FOR THE WINGS!

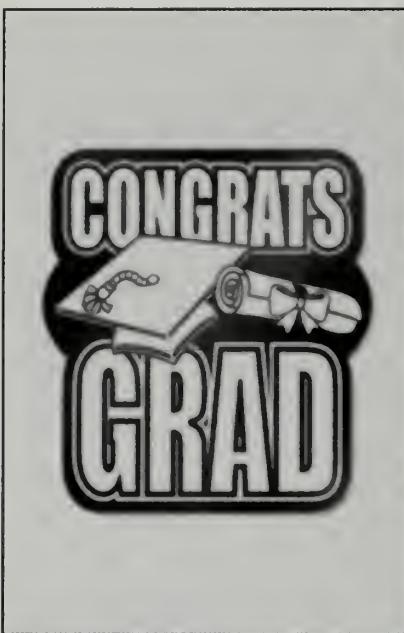

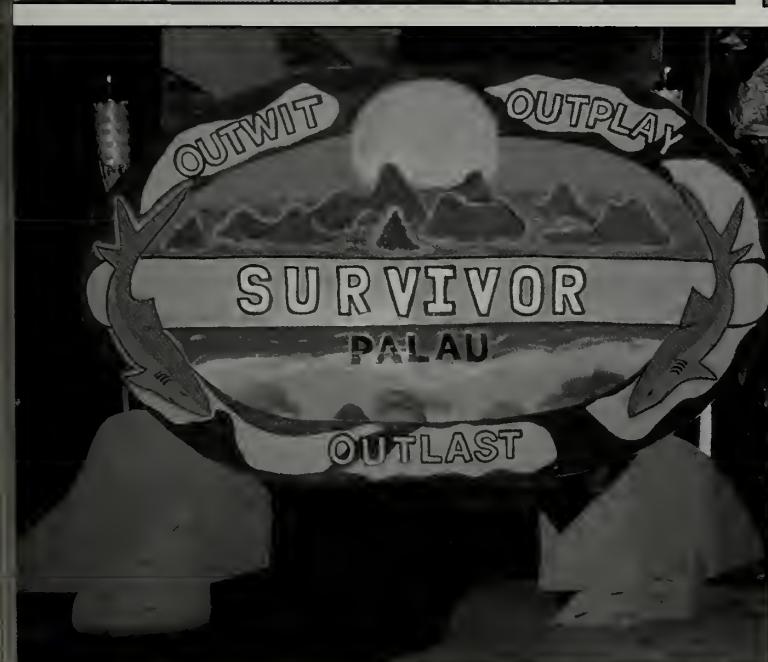

"I've heard it said  
That people come into our lives for a reason  
Bringing something we must learn  
And we are led  
To those who help us most to grow  
If we let them  
And we help them in return  
Well, I don't know if I believe that's true  
But I know I'm who I am today  
Because I knew you.  
It well may be  
That we will never meet again  
In this lifetime  
So let me say before we part  
So much of me  
Is made of what I learned from you  
You'll be with me  
Like a handprint on my heart  
And now whatever way our stories end  
I know you have re-written mine  
By being my friend:  
Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a skybird  
In a distant wood  
Who can say if I've been changed for the better?  
But because I knew you,  
I have been changed for good."

# *SHS Chimes Yearbook Recognition of 2005-2006*

**Co-Editors: Maura McGrath and Lindsay Wood**

**Yearbook Advisor: Brian Mahoney**

**Assistants: Jessie Curran and Shannon Daley**

**Buisness Manager: Gregory Renieri**

**Assistant: Stephanie Hazen**

**Photographer: Thomas Watson**

The staff would like to recognize the following people for their time and effort in creating this yearbook:

Emily DeBarros, Nichole Holder, Jamie Patterson, Dave Richardson, Mrs. Melone, Mr. Williams, Jeremy Wood and of course the Scituation Staff.

A Dedication: Mr. Brian Mahoney

*The yearbook staff and the class of 2005 would like to recognize Mr. Brian Mahoney for this year's recipient of the "Teachers Who Inspire Award." Mr. Mahoney's never-ending thirst for knowledge and ability to connect with each and every one of his students makes him stand out from all the other teachers. From reciting Shakespearian sonnets in class to exposing his students to contemporary ideas in literature, Mr. Mahoney's English classes helped students to appreciate language arts beyond the walls of Scituate High School. Thank you, Mr. Mahoney, for your enthusiasm and your ability to broaden students' minds.*

## *Class of 2005 Advisors*

*Joseph Jaymes*

*Jo Ann Webber*

Thank you to Joseph Jaymes and Jo Ann Webber for helping us with many of the senior class activities. These two remarkable individuals motivated us to raise funds for our class functions. Our advisors played a vital role in helping our class celebrate the Junior Prom, the Senior Dinner Dance, Senior Class Day, the Graduation Day Ceremonies, the Senior Class Trip, and many other trips, dances, and fundraisers. We would not have the memories from those major senior moments without your wisdom, organization, thoughtfulness, patience, and of course, ADVICE. The Class of 2005 salutes our advisors. We appreciate your hard work and generosity.

# *SHS Says Goodbye*

This year, Scituate High School said farewell to one its most valued staff members. Mr. Joseph Jaymes retired, leaving a 35-year legacy behind. “Jaymesy” will leave many memories behind, from his infamous shark stories to the numerous field trips he sponsored. Mr. Jaymes demonstrated concern for the well-being of SHS students. He is a very dedicated teacher and father, and often draws on personal experience and philosophies. In his 35 years, he has taught many scientific disciplines, earning the respect of students and staff. Mr. Jaymes will be missed. The learning experience has certainly been a fun and memorable one.

Students and teachers alike agree that Mrs. Anne Donnelly is math nirvana. She has inspired many students here at SHS, but after teaching for 23 years, she has decided to retire. Mrs. Donnelly will truly be missed by students and teachers. Her work has had a positive impact on everyone. No matter what kind of stress you are under, a conversation with Mrs. Donnelly is always a calming experience. Good luck to Mrs. Donnelly in her future endevours and thank you.

\* Yearbook staff credits The Scituation for this copy. Thank you.

## **"Phenomenal Woman"**

Pretty women wonder where my secret lies  
I'm not cute or built to suit  
a fashion model's size  
But when I start to tell them,  
They think I'm telling lies.

I say,  
It's in the reach of my arms  
The span of my hips,  
The stride of my step,  
The curl of my lips.

I'm a woman  
Phenomenally.  
Phenomenal woman,  
That's me.

Now you understand  
Just why my head's not bowed.  
I don't shout or jump about  
Or have to talk real loud.  
When you see me passing  
It ought to make you proud.

I say,  
It's the click of my heals,  
The bend of my hair,  
the palm of my hand,  
The need of my care,  
'Cause I'm a woman  
Phenomenally.  
Phenomenal woman,  
That's me.

You may shoot me with your words,  
You may cut me with your eyes,  
You may kill me with your hatefulness,  
But still, like air, I'll rise.

I'm a woman  
Phenomenally.  
Phenomenal woman,  
That's me.

You keep on Rising Talisha, Mommy and Daddy are very proud of our **Phenomenal young lady** that you have turned out to be!!!

# NEWS

## THE NATURE OF THE BEAST

We started the year watching Mother Nature repeatedly batter the US east coast with hurricanes. Then we watched as Martha Stewart weathered her court battle. And the climate in Iraq became hostile prior to the country's first democratic election. But all of that seemed trivial after the December 26 tsunamis in South Asia. Not only were they the biggest news event of the year, but they rank among the most devastating natural disasters in history.

### FLORIDA HURRICANES ▶

Schools along the east coast have a hard time getting started because of hurricanes Bonnie, Charley, Danielle, Earl, Frances, Ivan and Jeanne.

### ◀ ASIAN TSUNAMIS

Earthquakes in the seabed of the Indian Ocean measuring 9.0 on the Richter scale trigger tsunamis all across South Asia. The tsunamis devastate villages and resorts in more than 10 countries, leaving over 280,000 people dead or missing.

### WAR IN IRAQ ▶

Major fighting continues in Iraq.

As US forces try to bring democracy to Iraq, insurgents carry out a series of attacks discouraging Iraqis to vote in the country's first democratic election.

## SEARCH FOR MILLIONAIRES

Google's co-founders Larry E. Page and Sergey Brin become billionaires overnight after their online search engine's stock goes public.

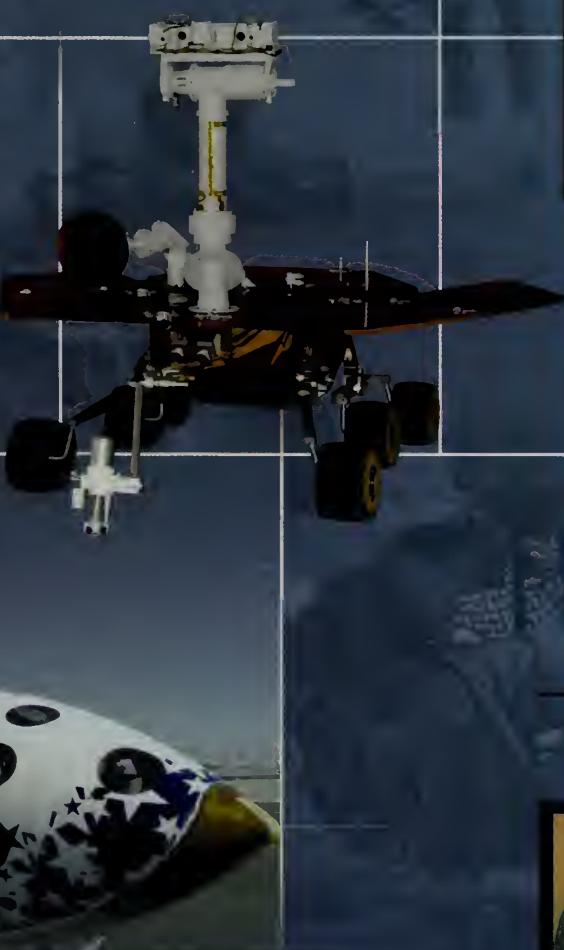

## THEN SEARCH FOR "FORTUNES LOST"

Not all stock market deals create billionaires. Martha Stewart was convicted of lying to investigators about her sale of ImClone Systems stock and serves a five-month prison sentence followed by five months under house arrest.

## WE'VE GOT SPOTTY! HOW'S SHE DOIN'?

The Exploration Rover Spirit explores Mars and discovers signs of water, which may indicate life on the red planet.

## GOING THE WORLD VACATION

Burt Rutan wins the \$10 million X-prize when his SpaceShipOne travels outside of Earth's atmosphere. Can tourism in space be far behind?

## ELECTION

'04

The 2004 Presidential Election had the potential to be as close and controversial as the 2000 race. Nearly 120 million Americans voted on Election Day, the highest turnout since 1968. Some citizens waited in line for as long as five hours to cast their vote (below). Many thought

that the high voter turnout indicated a surge of support for Democratic candidate Sen. John Kerry (left), others speculated that the nation was rallying to re-elect President George W. Bush (above). And after the polls closed on November 2, 2004, many

Americans went to sleep without knowing who their next President would be. Ohio was "too close to call,"

and held 20 electoral votes, enough to bring victory to either candidate. As the votes were counted, it became evident that Bush would carry Ohio with over 100,000 votes. Wanting to avoid a repeat of the 2000 election scandal, Sen. John Kerry called President Bush on the morning of November 3 to congratulate him on his victory.

## FROM ANTI-HEROES TO SUPERHEROES

This year kept us rooting for the underdog at the theater. We pledged allegiance to Average Joe's in dodgeball, we pined for Spongebob and Patrick to prevail over Plankton, and we campaigned with Napoleon to put Pedro in office as class president. The odds were stacked against Harry Potter, the incredible Parr family, and the Permian Panthers as well. Be it a big-budget blockbuster or an inexpensive indie-flick, as long as there's a good story along the way, we'll see our heroes through thick and thin until the credits begin to roll.

### DODGEBALL ▶

Ben Stiller strikes again, bringing the obscure sport of dodgeball to the silver screen in *Dodgeball: A True Underdog Story*.

### ◀ INCREDIBLE FAMILY

Mr. Incredible and the rest of the Parr family are called out of early retirement to save the world in *The Incredibles*.

### FRIDAY FEVER ▶

In *Friday Night Lights*, football is shown to be more than just a game for the Permian High Panthers of Odessa, Texas.

#### ◀ FIRST DAUGHTER

Samantha Mackenzie just wants a normal college experience. But being the President's daughter makes her life anything but ordinary.

#### ◀ DYNAMITE EXPLODES

After getting a lot of attention at independent film festivals, *Napoleon Dynamite* releases nationwide to sweet ticket sales. The high school anti-hero gets his friend Pedro elected as class president, and he's also pretty good with a bow staff.

#### HARRY POTTER III ▶

Harry, Ron and Hermione return for their third year at Hogwarts, where the teens face a dangerous escaped prisoner and the equally foreboding Dementors.

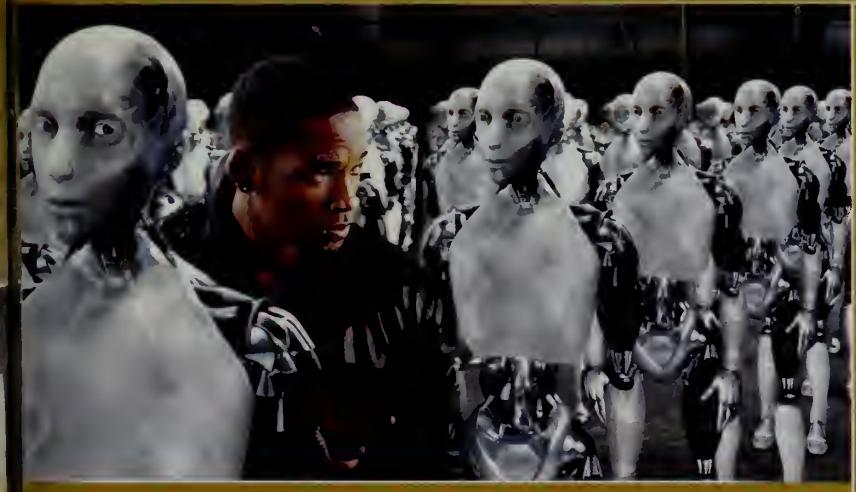

#### MOM, MEET MY OGRE ▶

In *Shrek 2*, Shrek faces his biggest challenge yet: The in-laws. The newlyweds return from their honeymoon to find an invitation to meet Princess Fiona's parents in the kingdom of Far, Far Away.

#### ◀ I, ROBOT

Will Smith keeps overactive robots in check in this futuristic sci-fi flick that asks the question "What if humans become too dependant on robots?"

#### BIGGER. BETTER. MORE ABSORBENT. ▶

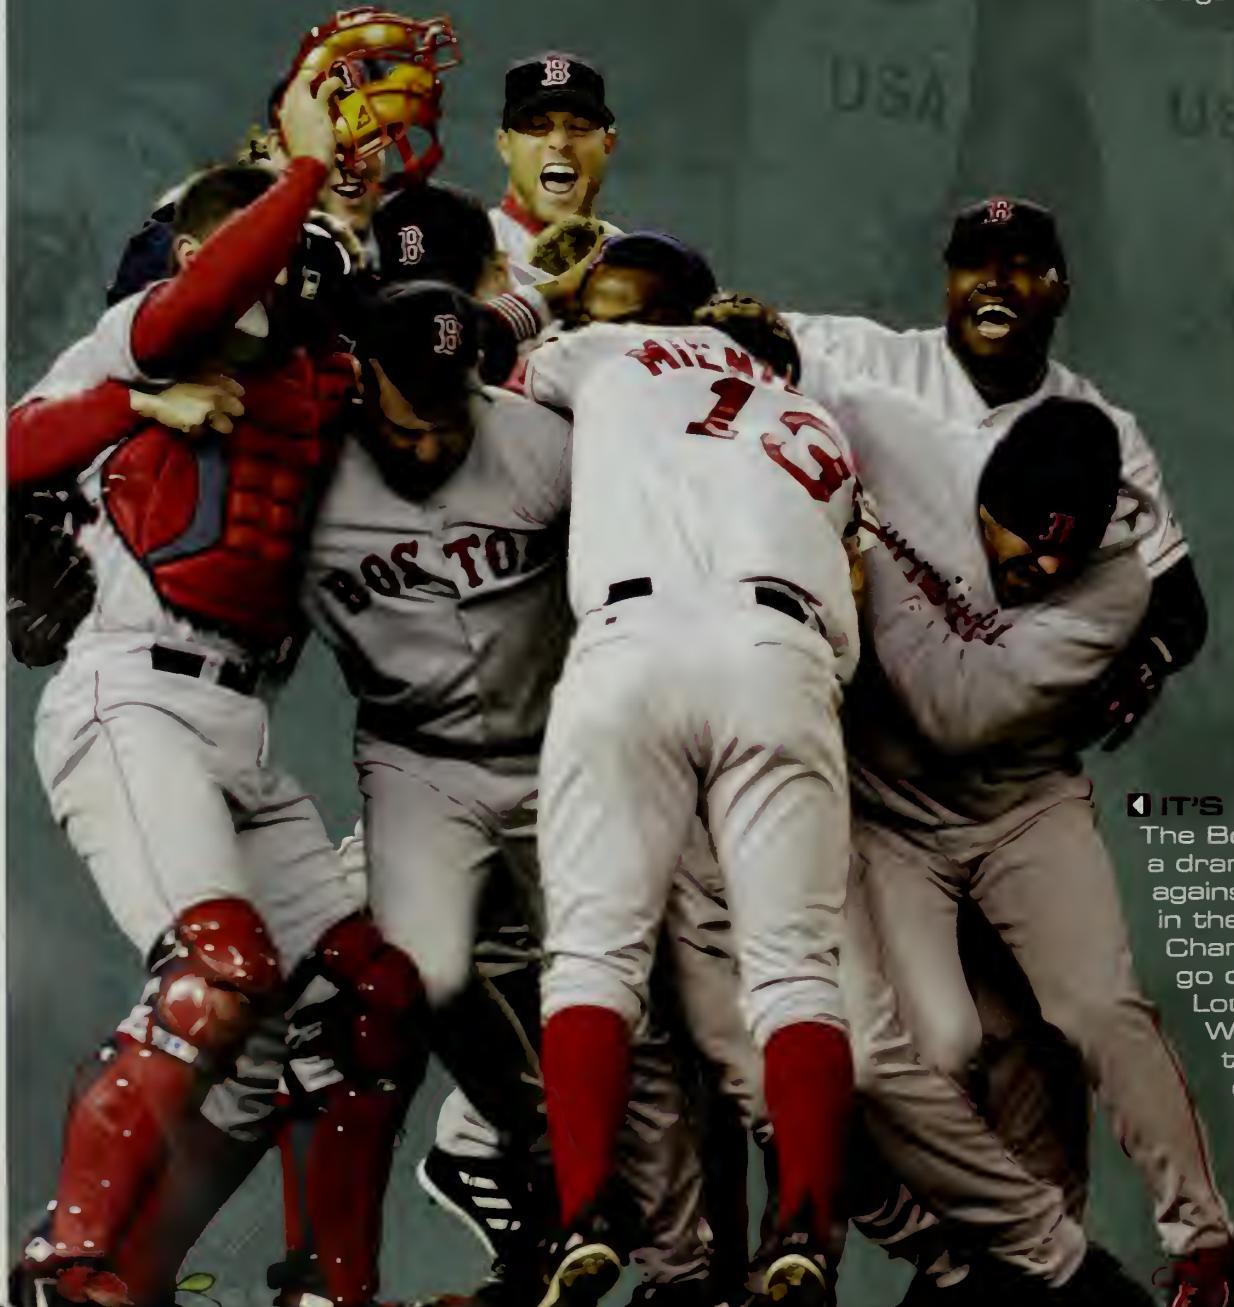

Moving to the big screen means more responsibilities for Spongebob and Patrick in *The Spongebob Squarepants Movie*. They have to rescue King Neptune's crown aaaaand foil Plankton's plan to steal the Krabby Patty recipe!

# SPORTS

## IT'S HOW YOU PLAY THE GAME

Every year, athletes set out to break records set in years past. This year was no different, but brought added drama. Would the mighty BoSox break the Curse of the Bambino? Would Lance win six in a row? Would the Patriots win again? These questions weren't answered without a little bit of nail-biting. Hockey and basketball fans followed Court TV more closely than ESPN this year, hoping to see an end to the NHL lockout or hear the latest on the charges pressed against NBA players after the Staples Center brawl that occurred in November. How's THAT for drama!?

### ▲ SUPER BOWL XXXIX

For the third time in four years, the New England Patriots win the Super Bowl by three points, this time against the Philadelphia Eagles.

### ▲ HIT RECORDS

Ichiro Suzuki of the Seattle Mariners racks up a record 262 hits in a single season.

### ▲ IT'S GOTTA BE THE SOX!

The Boston Red Sox stage a dramatic 0-3 comeback against the New York Yankees in the American League Championship Series. They go on to sweep the St. Louis Cardinals 4-0 in the World Series, breaking the 86-year-old "Curse of the Bambino" and bringing a collective sigh of relief to Red Sox fans everywhere.

## ESPN TURNS 25 ▶

Alpha-anchor Chris Berman and the rest of the cable sports network's knowledge base celebrate ESPN's 25th birthday in 2004.

## OLYMPICS '04

In 2004 the Olympic Games returned to Greece, their birthplace. A total of 10,500 athletes from 202 countries competed, a record turnout despite speculation of terrorism and anti-Americanism. The United States took home more medals than any other country - 103, 35 of them gold.

## GIRL PDWER

During the 2004 X-Games, Lyn-Z Adams Hawkins wins the first women's vert ramp gold.

## BASKET BRAWL

Indiana Pacers player Ron Artest faces a misdemeanor charge in the brawl between fans and players during a game against the Detroit Pistons.

Mia Hamm (above), one of the most famous U.S. soccer stars, announced her retirement and blew a good-bye kiss to the crowd after her team secured a gold medal. "There are only a few times in your life when you get to write the final chapter the way you want," said Hamm about the USA's gold medal.

## FREDDY'S FOOTWORK

DC United's Freddy Adu becomes the youngest and highest-paid player in Major League Soccer. At only 15, Freddy scores five goals in his first season.

## CYCLING'S SIX-SHOOTER ▶

Cyclist Lance Armstrong puts his US Post Office-sponsored team in the record books by winning the Tour de France an unprecedented six consecutive times.

Justin Gatlin, Bernard Williams and Shawn Crawford (above, L-R) of the U.S. swept the men's 200-meter final, after their introduction generated boos and heckling from the crowd in Olympic Stadium. The fans were upset that the Grecian sprinter Kostas Kenteris wasn't allowed to compete due to drug charges.

# MUSIC

## ARTISTS ARE VARIOUS AND NEFARIOUS

Musicians often stay in the spotlight by breaking out of their mold and trying new things. This year, Sean "Puffy" Combs took the lead role in a Broadway play, Gwen Stefani took a break from No Doubt to release a solo album, and Green Day brought us their first concept album. But Ashlee Simpson's unexpected antics garnered the most attention: She was busted lip-synching on Saturday Night Live, and was later booed after her performance at the FedEx Orange Bowl.

### ▼ THE GREEN PARTY

Green Day releases their album *American Idiot*, showing a more mature, politically-minded side than we've seen in the past.

### RAISIN' ▲ THE ROOF

Sean Combs took off his VOTE OR DIE t-shirt to play the role of Walter Lee Younger in the Broadway production of *A Raisin In The Sun*.

### ▲ USHER SWEARS UP

R&B artist Usher wins big at the American Music Awards, MTV MVA's and Grammys.

#### GWEN IN DOUBT ▶

Gwen Stefani takes a break from fronting No Doubt to release her first solo album, *Love, Angel, Music, Baby*. But "solo" doesn't mean "alone;" she collaborates with Dr. Dre, Linda Perry, and André 3000, to name a few.

#### ◀ SISTER ACT

Ashlee Simpson follows in her sister Jessica's footsteps with a hit CD and her own reality show on MTV.

#### JOSS STONE ▶

17-year-old British singer Joss Stone releases her second album, *Mind, Body and Soul*, completes a successful US tour and performs for VH1's *Divas 2004*.

#### ◀ RAP VAN WINKLE

After sleeping for six years without an album, The Beastie Boys release *To The 5 Boroughs*, and wake up to find that they are collectively almost 120 years old!

#### ◀ R&B ROCKERS ▶

Maroon 5 stay on tour, and stay on the iTunes "Most Downloaded" chart all year!

## PLENTY OF REASONS TO STAY HOME

While there were still a slew of "Survivor-esque" reality shows on the tube this year, we also saw more and more renovation-driven reality programs as Americans took an interest in redecorating their homes or "pimping their rides." But there was also evidence that Hollywood hadn't written off its writers completely. Well-penned dramas like *CSI: NY* and *Lost* gave us a great escape from reality, while Comedy Central's *The Daily Show* gave the nightly news a slant that caused us to laugh out loud.

### ▼ BIKERS THAT BICKER

Reality renovation show *American Chopper* is a favorite among those who enjoy watching mechanics practice their craft, and those who enjoy seeing father and son argue while they work.

### "YOU'RE FIRED!" ▶

In *The Apprentice*, competition and boardroom drama escalate until one winner is given a dream job with The Trump Organization and a six-figure salary.

### ◀ THE OUTLAW JESSE JAMES

Sparks fly as teams race to build hot rods and race cars in *Monster Garage*, hosted by Jesse James.

### WATCHING THE DISTRICT ATTORNEY ▶

This year *CSI* took their high-tech forensic investigations to the city that never sleeps in *CSI: New York*.

**► LAST** follows 48 castaways who try to survive on a deserted island. Luckily, none of them are named Gilligan.

◀ **DAILY DOSE**  
Comedy Central's *The Daily Show with John Stewart* is America's most trusted name in fake news.

**THE TY THAT BINDS**  
Ty Pennington, host of *Extreme Makeover - Home Edition*, brings people together with completely renovated homes for deserving families.

**WHO MEETODD**  
Grab your best friend, sister, significant other or grandma; whoever you think would be the best teammate in *The Amazing Race*, an elimination-style race around the world for a million-dollar cash prize.

▼ **JOEY**  
Joey Tribbiani trades "Friends" for family when he leaves Central Perk behind and heads for Hollywood, where he takes his nephew under his wing.

# TRENDS

## IT'S NOT SO BAD BEIN' TRENDY

Call it hip, popular or even conformist - this year's trends were more philanthropic than in years past. A little yellow bracelet raised big money for cancer research. A healthy diet has become so popular that fast-food restaurants are doing away with their "super-sized" menu items. And Ford unveiled the first Earth-friendly hybrid SUV to the delight of tree-hugging soccer moms everywhere.

### EASY TO SEE, HARD TO FIND ▶

The first five million of these Lance Armstrong Foundation bracelets sell out quickly and start a trend that raises over \$20 million in the fight against cancer.

### ◀ HOODIES OFF THE HOOK

Hoodies are a cozy alternative to wearing a jacket, and they can sport your favorite band, team, or even website!

### ◀ FAITHFUL READERS

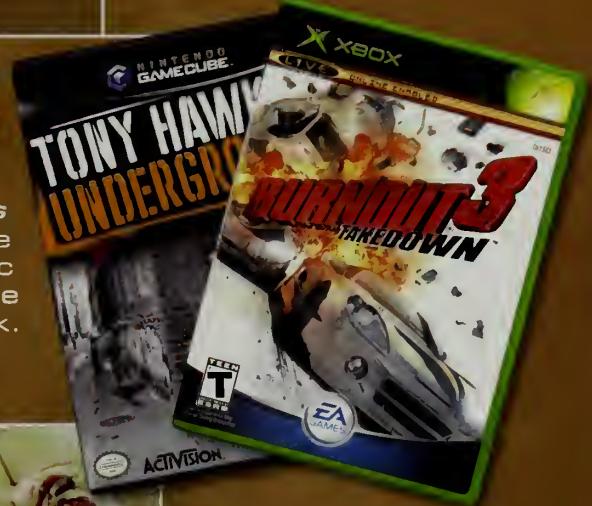

NCV breaks the Bible down into easy-to-read magazine form. *Revolve* is for girls, *Refuel* is for boys.

## ◀ TWO COOL FOR SCHOOL

The Olsen twins turn 18 and head for college, but not before launching a clothing line for teens. Their summer job makes waaaay more money than yours.

## GAMES THAT ROCK ▶

More and more bands are lending their music to video games. *Tony Hawk's Underground* wins the first MTV Video Music Award for Video Game Soundtrack.

## ◀ LOW-CARB

To attract low-carb dieters, fast-food restaurants start offering tortilla-wrapped menu items.

## ▲ LITTLE HOW HOW

Paris Hilton, Britney Spears, Milla Jovovich and P. Diddy have been trailblazers in the trend of teeny-tiny pocket-dogs.

## MOTHER EARTH'S SUV ▶

Ford introduces the first hybrid SUV. Using electric power as well as gas, the Escape Hybrid is more fuel-efficient and more environmentally friendly.

## ◀ IT REALLY HAULS

The Dodge Magnum makes grocery-getters cool again. With a 340-horsepower 5.7-liter Hemi V-8, this station wagon hauls a lot more than just cargo!

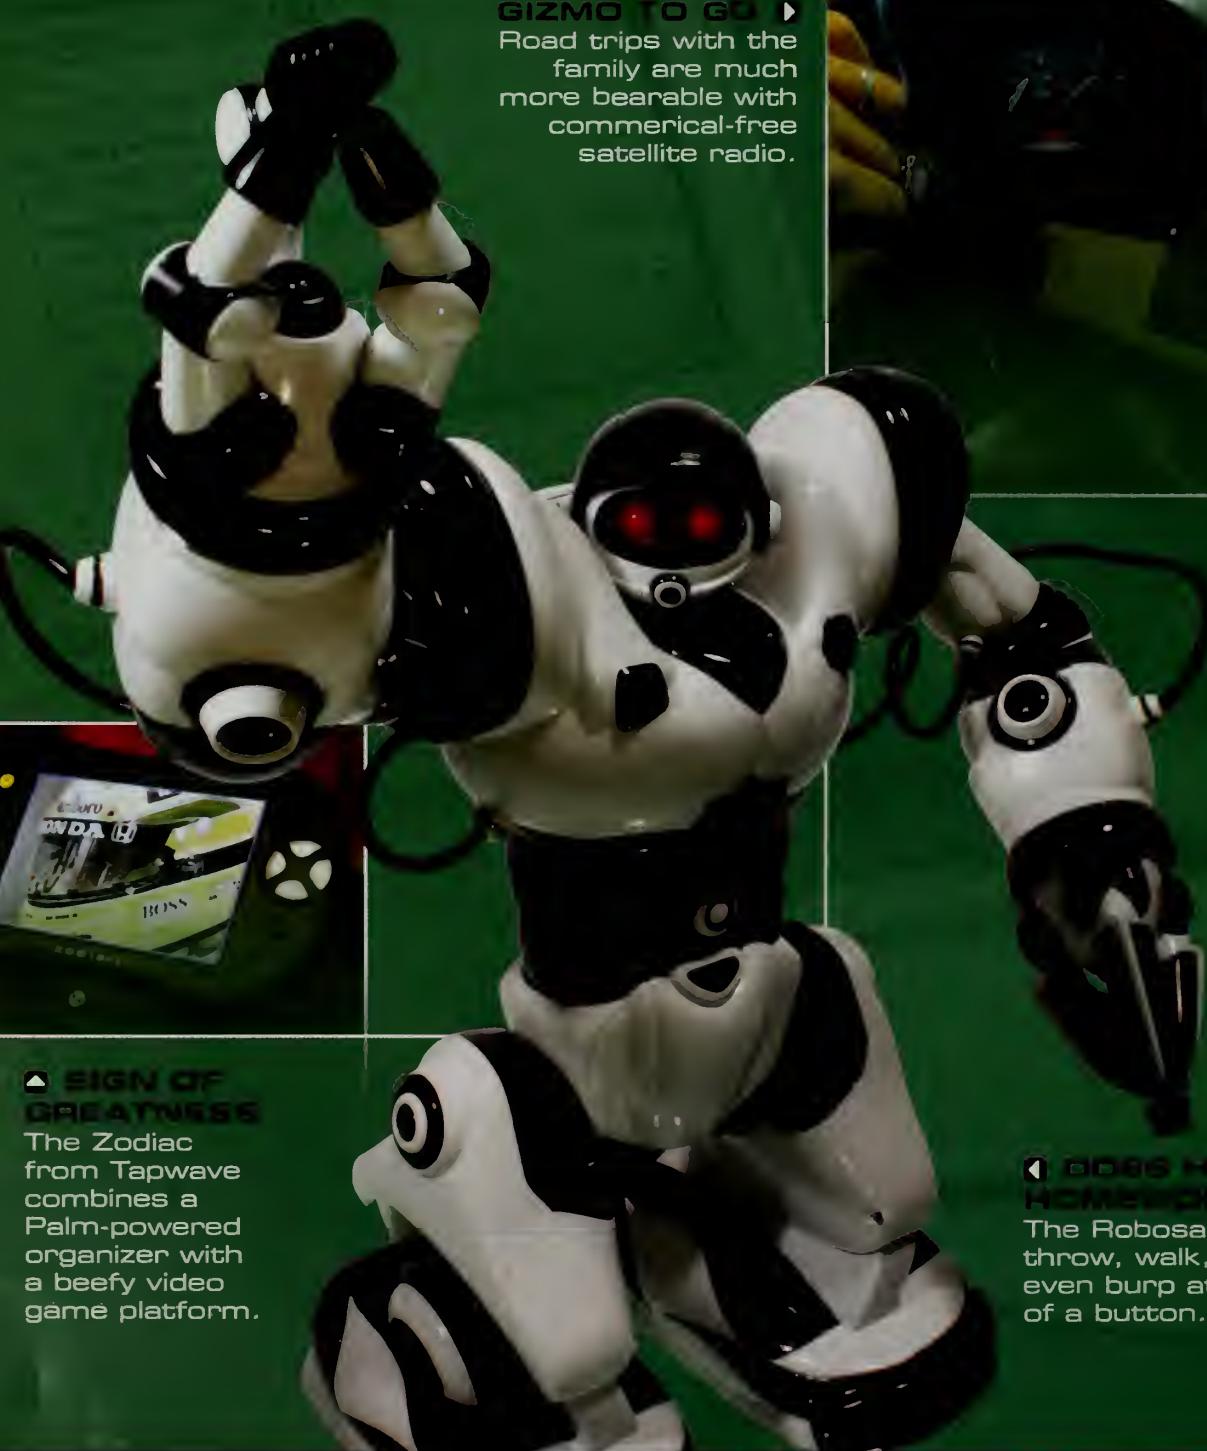

# TECH GEAR

## GIZMOS, GADGETS AND GREAT GEAR

Who says you can't take it with you? This year saw portables get even more popular. Sony and Nintendo each released new handheld game platforms, while Tapwave released the Palm-powered Zodiac for more organized gamers. People who take their music with them had a plethora of MP3 players to pick from, and Apple released the Mac mini, a desktop computer that challenges that whole "bigger is better" philosophy. But with all these gadgets, a bigger backpack would be nice.

### GIZMO TO GO ▶

Road trips with the family are much more bearable with commercial-free satellite radio.

### ▲ SIGN OF GREATNESS

The Zodiac from Tapwave combines a Palm-powered organizer with a beefy video game platform.

### ◀ DOGS HE DO HOME-DAY
